STAT

Upon receipt of your letter of October 16th I had your Personnel folder checked again and circulated among those parts of our Agency for whom your talents would be particularly valuable. I am now informed that there does not appear to be an opportunity for you with us. I do want to thank you however for your splendid offer to be of further assistance at a time of life when your contemporaries have long since sought less exhausting pursuits. I hope you will come in to see me the next time you are in Washington and I look forward to the chance to exchange reminiscences with you.

Sincerely yours,

(Signed) ALLEN W. DULLES
